Information Update

a. Founders Day 2012

Dean Hayes has made arrangements to hold this event in conjunction with the Educational Foundations Summit. This will attract national speakers, state politicians, and between 7500 people to showcase activities in our college.

b. ILC schedule of Events Fall 2011 A list of the fall schedule of courses from The Innovation in Learning Center was distributed. Everyone interested in learning the basics of Sakai should contact (r) <</M

5. Phonathon The University is hiring a group to conduct phonathons on campus. They will employ students to do the calls. Dean Hayes distributed a list of suggested ideas to promote our college during the month of November. We will refer to the ideas put forth.
6. Socio-cultural competency requirement We need to identify courses and field experiences we are using to meet this requirement. Does the diversity standard provide for students to have opportunities to integrate cultural differences built into the curriculum? Dr. Baxter suggested we begin with a course that would include cultural requirements prior to candidacy.
7. Exit Surveys Exit surveys will need to be completed in Canvas or E-college for now.
8. ARAMARK Food Service Survey Dr. Feldman developed a survey for feedback on any event we hire Aramark to do for the COE. This survey focusing on quality of food and service will need to be completed for every reimbursement or direct pay request for an event.
